Tefvik and Hasan Contemplate America and the Moon
we really Americans etc

horse

Florida all colors

vote democrat Don’t you have to wait?

That
s the beauty of it. No.

Ride to ridge when west commences

Stare at moon till lose my senses etc

I love olives. It
s anhonor being a brown one.

Well the
Christians blasted our olive trees. Following their scripture

I think that was a fig tree.

It’s beautiful,all that you know. I can’t believe it is Allah
s will to be killed for it.

Republicans had their fine principles taken over by religious pigs.

Familiar enough.

Dems can vote right away.

Repubs can steal.
